

JNCP Exam Registration Instructions Using a Pearson VUE Voucher

1. You **must have a Juniper account with Pearson VUE before registering**. If you do not have an account [Click here](#) to create one. This process can take up to 48 hours.
2. Open a browser and go to [Pearson VUE](#) to sign into your account.
3. Click 'View Exams' to open the certification exam tracks.
4. Click the arrow to expand the list of available exams of your preferred track and select your desired exam.
5. Select your preferred exam delivery option.
6. If selected, 'At home or office', run the pre-check on the device and network that you plan to take the exam on.
 - a. Select 'Next' once the pre-check is completed
 - b. Review and agree to the online exam policies and select 'Next'.
7. Verify your exam details and click on 'Next'.
8. Find and select the date and time of your exam.
9. Select 'Proceed to Checkout'.
10. Review and agree to the exam policies, and then select the review checkbox. Click 'Next' to proceed.
11. Select 'Add Voucher or Promo Code', enter your voucher code in the Voucher/Promotion Code field to waive the exam fee, and click 'Apply.'
12. Click 'Next' to proceed.
13. Verify your appointment details for accuracy and click 'Submit Order'.
14. Your receipt is displayed with an option to print and a Confirmation email is sent to the email address on record.

Log in to your account at www.pearsonvue.com/junipernetworks and click on your scheduled appointment under 'Upcoming Appointments' on the Home screen to view, change, or cancel your registration.
